

# IAH - Irish Group Annual Fieldtrip 2009

## 'Into the West'

3 / 4 October 2009

Dear all

Please find update on this years IAH fieldtrip. We have had to alter the schedule slightly but it remains a varied and interesting programme with expert presenters.

The itinerary is

Saturday 3<sup>rd</sup>

### **Kinvarra**

- coastal aquifers, seaward discharge and saline intrusion

### **Coole Park Turlough (west of Gort)**

- GWDTE, Catchment determination challenges

*lunch*

### **Oughterard**

- Piezometers in Granite, site selection, drilling, geophysical logging

*overnight accommodation Oughterard Connemara Gateway Hotel*

Sunday 4<sup>th</sup>

### **Gortgarrow Karstic Springs**

- flow measurement, catchment assessment, subsoil permeability determination

### Cost

Charge for the trip will be around 50 euro. Accommodation and other expenses to be paid directly by the participant.

### Travel

A coach will leave from GSI, Dublin early on the Saturday morning and return on Sunday early evening. Wherever possible can use of the coach be made to avoid unnecessary emissions!

### Notification

More details will follow closer to the date. For those who have not already notified me or those who have changed their plans please contact me asap.

Peter McConvey (IAH fieldtrip secretary) on 02890830077 or [peter.mcconvey@mclorinanconsulting.com](mailto:peter.mcconvey@mclorinanconsulting.com)

An indication of whether

- (i) you will travel in the coach (Y/N)
- (ii) you intend to stay in hotel and join meal

Would be helpful
