

Geotechnical Society of Ireland Conference 2017 – Call for Abstracts

Conference theme: *Geotechnical Engineering for Ground and Surface Water*

© Defence Forces 2016

The Geotechnical Society of Ireland and Engineers Ireland are seeking abstracts for a one-day conference on ground and surface water in geotechnical engineering which will be held in Portlaoise in November 2017. Prospective authors are invited to submit abstracts related to the following areas of research and practice:

- Flood defences (i.e. embankments, levees, walls)
- Coastal defences
- Groundwater control
- Hydrostatic uplift
- Groundwater problems on slopes
- Groundwater modelling

Abstracts of 300 words or less should be submitted no later than **January 20th 2017** via email to kevin.flynn@agl.ie. Contact details of the corresponding author should also be included to facilitate the notification process. Papers accepted for presentation will be published in the conference proceedings.

Important Dates

Deadline for Abstract Submission	20 th January 2017
Abstract Approval Notification	February 2017
Deadline for Draft Papers	June 2017
Deadline for Final Papers	August 2017
