BlueRock Environmental Ltd is a small specialist environmental consultancy firm based in Salthill, Galway city that provides consultancy expertise in the fields of hydrogeology, contaminated land, environmental impact assessments and environmental due diligence.

Due to an increasing workload we currently have an opportunity within our Galway office for a Junior level Contaminated Land Consultant or Hydrogeologist to join our team.

Main Duties & Responsibilities include:

- Undertaking desktop studies and reporting.
- Undertaking fieldwork including water sampling, supervising site investigations comprising soil sampling, air monitoring, water sampling and borehole logging.
- Liaising with site investigation contractors and laboratories.
- Preparing technical reports based on interpretation of site collated data
- Project budget management
- Liaising with clients, other consultants, landowners and 3rd parties

The ideal candidate must be motivated and enthusiastic and capable of working both independently and in a team. The role is full time and permanent within a very supportive and friendly environment that provides opportunities for significant experience, one-on-one mentoring and career development.

The relevant person must have the following:

- An honours degree or MSc qualification in hydrogeology or a relevant earth science or environmental engineering course.
- Excellent analytical and report writing skills.
- Strong attention to detail and communication skills.
- A positive and enthusiastic attitude.
- A clean drivers licence.
- High level of proficiency in MS Office.
- Some site investigation or contaminated land experience or experience in a consultancy environment. On the job training will be provided as required.

Desirable skills include:

- Related post-graduate qualification.
- Hydrogeological experience.
- Membership of a relevant professional body.
- GIS experience.
- Have a knowledge of environmental standards and regulations in Ireland.

Position is Galway city based in close proximity to Salthill promenade but willing to consider remote working options. Full clean driving licence and own transport required. Undertaking site work outside normal working hours and working away from home will be required for short periods from time to time.

The package on offer includes:
• Competitive salary.
• Generous living and travel allowances.
• Pension contributions.
• On-site parking.
• Mobile Phone.
• Professional body membership subscriptions.
• Flexible working arrangements.
• One-on-one mentoring.
